

*Ladies,*

*As you may know by now President General Manning has announced the cancellation of the 2020 Congress. Thus any business we had to conduct at this years congress will be carried over to the 2021 Congress in Washington State. We will be voting on the bylaw change and donations at that time.*

*If you had colonial gowns to bring to congress for the Ladies Auxiliary gently worn colonial clothing sale please hold on to them and we will have our sale in Georgia as most of us will be flying to Washington State.*

*I hope all of you are safe and have not been touched by Covid-19. Florida is doing very well, maybe the heat and humidity are a good thing this year.*

*I did want you to know that I will have a change of address as of June 11. We are moving back to Jacksonville and the address is 2567 Karatas Ct. Jacksonville, FL 32246. Everything else will stay the same.*

*I will miss seeing each of you this July, but will be looking forward to seeing you in the fall in Louisville. Until then wash your hands, wear masks and socially distance.*

*Billie Brock 😊*

*NSSARLA President*
