National Ladies Auxiliary SAR

SPRING 2008

Dear Ladies,

Thank you for joining our NEW GA SAR Ladies Auxiliary as a Charter Member. Ladies of SAR all around the State of Georgia serve

SAR Chapters most generously. We help with fund raising, decorations, and many other activities. We support the objectives of SAR with our attendance at meetings, celebrations, grave markings, Revolutionary commemorations, and many other events!

SAR National Ladies Auxiliary President, Jane Bradley, invited us to form an SAR Auxiliary in Georgia, as she is striving to form auxiliaries in all States. Several of our SAR ladies in Georgia are already members of the National Ladies Auxiliary. By having a Georgia SAR Ladies Auxiliary, ladies who do not have the opportunity to attend National SAR meetings will have the opportunity to join the Ladies Auxiliary and wear the distinctive pin.

Membership in the Georgia SAR Ladies Auxiliary is simply a recognition of the long time support of the ladies for Georgia SAR. We wear our lovely pin to display our support for our husbands, fathers, brothers, and sons who are

loyal and active Sons of the American Revolution.

Georgia DAR is a great supporter of SAR, too. DAR State Regent Laura Reid, is an Honorary Charter Member of the Georgia SAR Ladies Auxiliary!

Georgia Ladies Auxiliary has no requirements for meeting attendance. We all already attend enough meetings. Our activities consist of just what we are already doing: supporting SAR Chapters and the Georgia State Society.

We do plan to have fun, social activities at SAR State Conferences, just as the National Ladies Auxiliary has activities at the National Conference. From time to time, we may plan to have simple and fun fund raisers, as needed.

The entire amount of the dues collected will go to the National Society Sons of the American Revolution for support of important projects, like the current Ladies Auxiliary project: providing furnishings for the proposed *Center for Advancing America's Heritage*.

By joining the Georgia SAR Ladies Auxiliary, you are expressing your loyal support for Georgia SAR and the objectives of the National Society Sons of the American Revolution.

With best regards,

Robin Towns

Organizing President
